

PROJECT DELIVERIES

OIL & GAS

- Cuttings handling
- Pneumatic equipment
- Dosing
- Atex zone 1 og 2

LAND BASED INDUSTRY

- Transport systems
- Miksing
- Pressure and vacuum equipment
- Dewatering systems

QUALITIES

- Atex zone 1 og 2, 21 og 22
- 3D design
- ISO 9001
- Documentation

PROJECT DELIVERIES

Our standard delivery of transport screws adapt to our customer's unique needs. Tried and tested technical solutions are used to reduce costs and simplify access to spare parts.

When you wish to deal with only one supplier in your project we can take the whole project delivery, from 3D design to turnkey construction.

We also supply the start-up applications you need, all according to machinery directives. Easy start stop or frequency control for optimal operation in challenging masses.

Mixing **NORSOK** **Gear-motors** **EX**

Stainless **ISO** Continuous

Packing cords **Hydraulic** **ATEX**

PLC 3D **Drives**

Weight total: 2985 kg

ITEM	QTY	PART NUMBER	DESCRIPTION	MATERIAL
24	1	cable_tray_30_50_3		AISI316
23	1	El. motor M3HP 112/MC4	3,7KW AM112 ATEX	Default
22	1	2inch drain-ø530 with plug C	2 inch drain with plug	
21	1	15520893	Grid, 100x100x8	Galvanized Steel
20	2	1" Ball valve		AISI316
19	2	15520120	Spraypipe	AISI316
18	2	15520890	Bush f. pipe	PEHD1000
17	2	D2919017	Funnel	
16	1	D2919004	Screw	Steel
15	1	D2919016	Lever arm	AISI316
14	1	D2919015	Motor end	AISI316
13	1	O ring Ø 150 x 5	O-ring	Rubber
12	8	8 x 8 x 245	Packing cord	PTFE
11	1	17.PIF.070	Adj. Com. packing	AISI316
10	2	DIN 3760 - A - 70 x 90 x 10 - NBR	Shaft Seal Ring	Rubber
9	1	22212 E	Spherical roller bearing	Steel
8	1	KA87TAM112_2919	I=79,34, M4A, ATEX	
7	1	PE123-3055	Svingskrue Ø400x3000	
6	4	RM-M 16	Eyenuit M16 - 800 kg	Steel, MIK
5	2	DIN 3760 - A - 75 x 100 x 10 - NBR	Shaft Seal Ring	Rubber
4	1	FYJ 75 TF	Flange bearing	Steel
3	1	17.POFG.75C	Slimmering packing	
2	1	D2919010	Plattform	AISI316
1	2	FYJ 100 TF	Flange bearing	Steel

Projects

- Tank/Silo feeding and dosing.
- Cuttings Handling
- Fisheries dewatering
- Cement loading/unloading systems
- Produced in rust free and food industry approved materials [AISI304/AISI316] or other materials as required
- ATEX-approval
- NORSOK
- Connections for automatic flushing and cleaning
- PLC logic controlled system
- Hydraulic steering systems
- Pneumatic transport systems
- Waste water treatment plants
- Slaughter houses
- Powder handling
- Compost installations
- Biogas
- Mix systems
- Cooling
- Automatic bleeding tanks
